How about lists exchanged Wednesday and conference Thursday? I imagine where there's room for agreement we'll be able to reach agreement pretty quickly and we'll be

able to predict the ones that are opposed.

Hi Josh,

Are we supposed to discuss all anticipated motions or just those we think we might reach agreement on? Let us know your thoughts. Thanks,

As you are aware, motions in limine are due to the court this Friday.

When would you like to exchange lists of potential motions in limine and schedule a time to discuss (pursuant to her standing order)?
